SAVE THE  
*date*

**Keynote Speaker**

**Robert W. Turner II, PhD**

Dr. Turner is an Assistant Professor of Clinical Research and Leadership at The George Washington University School of Medicine and Health Science, a Research Scientist in the Center for Biobehavioral Health Disparities Research at Duke University, and principal investigator of the Black Male Caregiver Burden Study. He is a former professional football player and author of the book, *Not for Long: The Life and Career of the NFL Athlete*.

addressing disparities • sharing possibilities • taking action • finding hope in faith
